

Brian

You have been kind
considerate and gone above
and beyond with answers
to each and every concern
I have had over the
last 2 1/2 years.

Thank you just does
not seem enough.

You are brilliant and
I am grateful your path
crossed into mine in
my time of need
J.J.

Your kindness

really made a difference...

Your thoughtfulness

really touched my heart...

The gratitude I feel

really can't be
put into words.
